Program Updates – May 2020

Our **Sharing Center** may be closed to clients and donation intake, but all of our other programs are still running with modifications to ensure safety for our volunteers and clients. We have hired a part-time summer LTE for the Sharing Center but are also still actively looking for a half-time coordinator.

Our **Phoneline** is actively taking calls and referring women and families to get the help that they need.

Babies are still being born and still need essential items! **Safe Sleep and Baby Care Packages** are being delivered to the doorstep of our clients.

Diaper Need has increased dramatically due to the pandemic! Even though we can't directly distribute to our clients, our **Diaper Bank** is making sure that the agencies that can, are adequately supplied. We have made deliveries to ARC, RISE, Shelter from the Storm Ministries and St. Vincent de Paul. We are directing our clients to get diapers at St. Vinnies on Fish Hatchery. They have reported to us that they are serving 20-30 families a day specifically for diaper need! We will continue to supply them as we are able!

THANK YOU to our Rent Sponsors!

Half a Month's Rent \$300

Richard and Marie Holdener
"In memory of
Victor & Carol Dorn"

Full Month Rent - \$600

Ripple Management
Total Dental Care, S.C.

THANK YOU VOLUNTEERS!

We have so many amazing individuals and groups that have done so much to help out lately! We are beyond grateful!

Meet our new Executive Director!

Pregnancy Helpline welcomes its first full-time Executive Director, Brenda Collins. Brenda lives in Portage with her husband Mike and their 2 sons Hunter and Boden. The past 15 years she was the Director of Lifelong Faith Formation and the Webmaster at St. Mary Parish in Portage, WI. She has a passion for helping women succeed and has experience and skills that she is excited to apply to Pregnancy Helpline!
